Daily activities

- **10:00-14:00 Fancy dress competition.** Come dressed up in your best Halloween costume. Our photographer Maria will take a picture of you so our judges can decide which costume wins (bring some comfy clothes so you can change after picture-taking). The winner will be announced after our Halloween game each day. Extra points will be given if you take into consideration the theme of the day (Phantom Pirates, Halloween Extravaganza, Witches & Wizards, Day of the Dead, Zombies & Ghosts), effort, make-up, and role playing. Each day we will have an individual winner and a winning group/family (when applicable). Judging closes at 14.00
- **13:00 Daily prize draw.** Be on our terrace to have the chance to win return tickets and your family photo that was taken by María on arrival to the park.
- **13:15 Foam Party.** Join us at our sports arena for fun in the bubbles.
- **16:15 Foam Party.** Join us at our sports arena for fun in the bubbles.
- **17:15 Finale of the day.** Red, Chuck or Bomb will be on our stage to say hello to you. A fantastic photo opportunity! Maria will be around if you want her to take a professional picture from you and your family or friends.
